PROGRAM TECH SPECS

Program Name: *Chris Fabry Live*

Program Description: *Chris Fabry Live* is designed to build up the spiritual immune system of the Christian man and woman. As you walk through the journey of faith called the Christian life, you meet new people, learn new things, laugh, cry, and most importantly, grow in your understanding of God. With his sense of humor, sense of people and no sense of direction, host Chris Fabry treks that journey with you each weekday. Current events and issues, caller interaction, special guests and a few surprises all complement each other on this program. *Chris Fabry Live* challenges and encourages listeners in their journeys of faith.
