Moody Publishers featuring the book *Kingdom Race Theology* by Dr. Tony Evans.

The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as *systemic racism*, *white privilege*, and *Critical Race Theory*, all framed by the slogan "black lives matter." The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church.

Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God's Word as the solution. *Kingdom Race Theology* helps people and churches commit to restitution, reconciliation, and responsibility.

His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans.

Christians can work together across racial lines to repair the damage done by a long history of racial injustice.
